The Okanagan-Shuswap Nudist Society (OSNS) is a travel club located in the Okanagan Valley of British Columbia. Our club was formed in September of 1989 by six couples. We have grown to include monthly swims and various outings in the summer.

This Event is open to all AANR Members and we hope to see you all there. We have a limited number of Trailer sites so book early to get a spot, there is plenty of spaces for tents.

A member of our club would like to plan a getaway to Nakusp hot springs after the weekend if you are interested please contact Dwane at (www.dickinsonfamilyfarm.com) look for the contact us icon and sent your request.

We have a great weekend of fun and games planned as well as a wine & cheese Get-together Friday and our Anniversary Celebrations on Saturday night.

The campgrounds are considered rustic; there are shower facilities and portable outhouses available. The Trailer sites are water hook ups only.
